License insights

# Al-Driven Process Automation Licensing for Krabi Businesses

Our Al-Driven Process Automation service for Krabi businesses requires a monthly or annual subscription license to access and utilize our advanced technology.

# **License Types**

- 1. **Monthly Subscription:** This license provides access to our Al-driven process automation software for a period of one month. The cost of a monthly subscription is \$1,000.
- 2. **Annual Subscription:** This license provides access to our Al-driven process automation software for a period of one year. The cost of an annual subscription is \$10,000, which represents a 20% discount compared to the monthly subscription.

# License Features

- Access to our proprietary Al-driven process automation software
- Unlimited automation of repetitive and time-consuming tasks
- Real-time monitoring and reporting of automation progress
- Dedicated support team for technical assistance and guidance
- Regular software updates and enhancements

# **Ongoing Support and Improvement Packages**

In addition to our subscription licenses, we offer ongoing support and improvement packages to enhance the value of our service:

- **Basic Support Package:** This package includes access to our support team for troubleshooting and technical assistance. The cost of the Basic Support Package is \$200 per month.
- Advanced Support Package: This package includes all the features of the Basic Support Package, plus proactive monitoring and maintenance of your automation processes. The cost of the Advanced Support Package is \$500 per month.
- Improvement Package: This package includes access to our team of AI experts for ongoing process optimization and improvement. The cost of the Improvement Package is \$1,000 per month.

# **Cost Considerations**

The total cost of your AI-Driven Process Automation service will depend on the license type and support package you choose. Here are some examples:

- Monthly Subscription + Basic Support Package: \$1,200 per month
- Annual Subscription + Advanced Support Package: \$10,500 per year
- Monthly Subscription + Improvement Package: \$2,000 per month

We encourage you to contact us for a personalized consultation to determine the best license and support package for your business needs.
