AI Wooden Toys for Schools Samui: License Information

Our AI Wooden Toys for Schools Samui service requires a subscription license to access our platform and utilize our educational toys. We offer two types of licenses:

1. **Ongoing Support License:** This license includes access to our online platform, ongoing technical support, and regular software updates. It ensures that your school or childcare center has the latest version of our software and can benefit from our ongoing support.
2. **Premium Content License:** This license includes all the benefits of the Ongoing Support License, plus access to our premium content library. This library contains exclusive educational resources, lesson plans, and activities that are designed to enhance the learning experience for young children.

The cost of our licenses will vary depending on the specific needs and requirements of your school or childcare center. However, we can provide a general price range of \$1,000 to \$5,000 per year.

In addition to the subscription license, we also charge a one-time setup fee for new customers. This fee covers the cost of setting up your account, installing our software, and providing training for your staff.

We believe that our AI Wooden Toys for Schools Samui service offers a unique and valuable opportunity to enhance the educational experience of young children. Our toys are made from high-quality materials, they are designed to promote creativity, learning, and development, and they can help to create a positive and stimulating learning environment.

We are confident that you will be satisfied with our service. However, if you are not satisfied for any reason, we offer a 30-day money-back guarantee.

To learn more about our AI Wooden Toys for Schools Samui service, or to purchase a license, please contact us today.
